

## The Faith Of Seventh-Day Adventist Christians

- We believe the **Holy Scriptures** are an authoritative infallible revelation of God's will. They are revealers of the doctrine, the test of Christian experience.
- We believe that **God created the earth and all life upon it.** This life did not evolve over vast periods of time. We reject the evolutionary postulate, believing it less scientific and less adequate as an explanation of man's origin than the literal creation view.
- We accept **Jesus Christ** as our personal saviour. We believe in his interceding priesthood and we acknowledge that eternal life can be received only through faith in Him.
- We acknowledge the sovereignty of **God's Law**, not as a means of salvation but as a result of conduct ; including the observance of the **Seventh-day Sabbath**.
- We believe that, according to the bible and spirit of prophesy, the **Second Advent of Christ** is imminent. We accept the guidance of the **Holy Spirit** ; The Third person of the God
- We acknowledge the **Health Message**, according to the Holy Scripture and the Spirit Of Prophecy as a Christian message to be taught and lived, and we accept it as part of God's news for the redemption of man.
- All who enter the **Kingdom of God** must have experienced conversion, or the new birth, through which man receives a new heart & becomes a new creature. Thus, regardless of ethnic or social background, he becomes a new member of the family in Heaven & on Earth.
- The **Seventh-day of the week** is the eternal sign of Christ's power as Creator ,Redeemer & is therefore the Lord's Day, or the Christian Sabbath, constituting the seal of the living God. It should be observed from **Sunset Friday to Sunset Saturday**.
- The Church is to come behind in no gift & the presence of the Gift of Prophecy is one of the identifying marks of the remnant Church.
- Every Church member is under sacred command from Jesus Christ to use his talents in personal **Soul winning** work in helping to give the gospel to all the world. When the work is finished, Jesus will come.

### Stewardship Corner

ALL steps prompted by a lack of faith in God do NOT bring happiness. Yes, perceived benefits may seemingly come your way, but the absence of the beauty and honor of taking God at His word shall ALWAYS be felt. Do NOT withhold from God (the giver of all we ever could have) by yielding to the pleading of human, selfish affections
